Student Goals:					
	I	To gain an appreciation for their God as Creator, Designer, and the Ultimate Artist and to make beautiful art that is God-glorifying.			
	II	To realize that as the students are created in the image of the Creator, so too have they each been endowed with a measure of His creativity.			
	III	To develop and fine tune the students' fine motor skills, artistic skills and knowledge of the art world.			
	IV	To be able to talk about the students' artwork with term and references specific to the art world.			
Student Outcomes					
	I	The students will be able to develop favorable feelings toward the creative process and understand the therapeutic/spiritual aspect of making art.			
	II	The students will be able to begin to understand what it means to work as an artist and learn that making mistakes is part of the process.			
	III	The students will be able to learn how to problem solve upon mistake-making and how to alter or utilize such mistakes to improve their artwork.			
	IV	The students will be able to be challenged cognitively in order to develop their thinking skills in art class and in general.			
	V	The students will be able to understand how the creative process is in direct relationship with their faith.			
	VI	The students will be able to develop technical skills within the realms of many different mediums, develop fine motor skills, learn how to accurately use new technical skills to complete artwork, and learn how to utilize new mediums.
