Games will be 25 minutes. We are playing 11 v 11. Please check this schedule over, I have everyone playing three games with Willmar taking the slot that requires four games. (Willmar, if this is a problem we will put a combined COL team together for that last game vs. Faith.) Please bring your own warm-up balls, game balls will be provided (we will be using #4 balls for the games). Make sure your teams have matching uniform tops or shirts (numbers not required). We will be selling concessions. If you have not been to the Ampe Fields in Paynesville, they are on the east end of Paynesville right off Business 23 across from the Paynesville Museum and Koronis Tire. If I think of anything else, I will let you know. **If any of you have parents that can ref and would act as back-ups, just in case, please let me know.**
