1

Patience

It takes time to learn a new song or to practice for a race. It takes time to wait for your birthday or Christmas to come again. Waiting, while still being happy and cheerful, is called patience.

If you stop to watch a snail cross the road, you may have to wait a very long time.

God has patience with us and we can learn to have patience too.

God loves you and has chosen you as His own special people. So be gentle, kind, humble, meek, and patient.
