The School Age kids' non-school days - E.N. will be open on non-school days, early dismissals, late starts, and snow days (listen for E.N. weather cancellations). If parents want their child to attend extra days or extra hours, such as: non-school days, snow days, early dismissals, and late starts, you need to sign up by registering in advance on this contract sheet. This will help us know who will be in attendance. **Example: If you contract for non-school special days, we will bill you extra charges for that day.**

Circle the non-school days you want your child to attend. You may circle one or all special situation days if you choose. **By circling these special days, you will be signed up for every day. You will be charged for all of these days whether your child attends all of them or not due to illness or staffing purposes.**
