

Fundraising is as simple as shopping and dining at your favorite places

RaiseRight works with your routine—not against it. Earn money for your program when you buy gift cards, shop online, dine at participating restaurants, or book travel.

Gift Cards

Buy and use gift cards to pay for purchases or meals, or gift them to loved ones. You'll earn with every gift card purchase.

Shop Online

Earn a percentage back when you shop online at your favorite brands' websites. Pay with a gift card to earn even more!

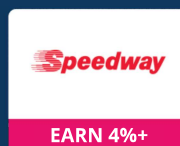

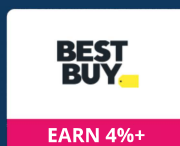

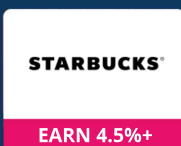

Local Dining

Link a credit or debit card in the RaiseRight app to earn 5% when you dine at a participating restaurant.

Travel Bookings

Enjoy competitive rates and earn up to 30% when you book hotels, car rentals, or attractions on RaiseRight's travel site.

Thank you for your interest in the CCS RaiseRight (Scrip) program! Earning rebates with each RaiseRight gift card purchase will add up over time and will help you to defray expenses for tuition, lunch, Eagle's Nest fees, sports fees, etc. at CCS. Use this earnings calculator to see how much you could earn with our program @ <https://raiserightfundraising.typeform.com/participant?typeform-source=www.raiseright.com>

My name is Lisa Scott and I would like to help you successfully earn with RaiseRight (Scrip) for your family. Let's get started!

- There are 2 avenues to shop for gift cards: through the RaiseRight app or if you prefer a bigger screen, go to RaiseRight.com. The same username and password applies to both sites. You can shop for electronic gift cards (eGift cards), order physical cards or add funds to reloadable cards. Physical card orders are combined and submitted with all CCS family orders every two weeks on Mondays. Please have your orders completed and your cash/check payments in the CCS office at 8 AM of the next order date. Cards usually arrive within 3 days and you will receive a text or an email when the cards are ready for pick up.
- Linking your bank account to your RaiseRight account allows you to shop 24/7 and use your eGift cards or reloadable cards immediately. However, if you choose to pay with cash or checks, your reloaded funds will not be available until the CCS RaiseRight order date, typically every two weeks on Mondays. Returned checks or insufficient funds in your account will result in a \$30 fee.
- The rebates you earn are shared with CCS. Your family keeps 75% of the earned rebates and CCS receives 25%. (This covers shipping and expenses to facilitate the program.) I am the coordinator for the program and I am a volunteer.
- It is typical to earn \$500-\$1000+ per year in rebates when using your RaiseRight account for your every day shopping needs. Your rebates will be deposited into the account of your choice - tuition, lunch, Eagle's Nest fees, expenses at school (year book, sports fees, etc.) or choose to donate to another family. Deposits from your earnings occur every three months - the first week of January, April, July and October.
- There are many reloadable gift cards for purchase in the CCS office. If you need help registering them online and reloading them, just give me a text/call. We also keep a supply of gas, grocery, fast food and more on hand in case you run out before the next online order date.
- If you register a reloadable card and spend it down to a zero balance, and a zero balance remains for more than 60 days, the RaiseRight company will delete it from their system thinking you are no longer using it. So always leave a little something on the card if you don't think you'll be reloading it soon.
- If you lose a reloadable physical card that you have registered with your RaiseRight account, the support team at RaiseRight will help you replace that card with the value you had on the card. Their number is (800) 727-4715 option 3.

I hope this has been helpful. Contact me whenever you have questions. Happy shopping and saving!
